

2025 AGMA Annual Sponsorship Packages

The AGMA Annual Sponsorship Program provides sponsors a year-round omnichannel presence and outreach to AGMA’s members, partners, and participants to help you build meaningful relationships, increase brand recognition, and provide extra visibility to the gear community.

Sponsors can customize their packages by choosing an Event-Focused presence or a Media-Focused presence. Each package will include brand promotion at AGMA’s in-person events, virtual events, membership publications, and AGMA Media outlets, but the two types of packages allow flexibility for sponsors to focus their efforts more in event sponsorship or media advertising.
