Membership Category

Please select the appropriate membership category and dues payment: ***AGMA holds all company information in the strictest confidence.**

- Gear Manufacturer
- Supplier to the Industry
- End User
- Individual Technical Consultant
- Academic
- Emeritus

Gear Manufacturer (Company Membership)

Companies that manufacture gears, gear products, and/or flexible couplings for sale as such, or as component parts of end-use products. Companies must have a bona fide gear or flexible couplings manufacturing facility. Dues are based on the total annual sales volume for the previous fiscal year. Total annual sales volume is defined as the total worldwide sales (in U.S. dollars) of all gears, gear products, and flexible couplings whether sold as such, included in end-use products or as replacement parts.

Minimum dues: \$1,994 plus \$471/\$1,000,000 of volume in excess of \$1 million
Maximum dues: \$19,052 (for any sales volume over \$37M)

End User (Associate Membership)

Companies that do not manufacture any gears, but use gears, gear products, and/or flexible couplings as component parts of end-use products.

Dues: \$3,145

Supplier to the Industry (Associate Membership)

Companies manufacturing and/or selling machinery, raw materials, or services (including inspection, testing, consulting, and sales representation). Dues are based on total worldwide sales attributable to the gear production industry.

Minimum dues: \$3,145 plus \$471/\$1,000,000 of volume in excess of \$1 million
Maximum dues: \$19,052 (for any sales volume over \$18M)

Membership Category continued on next page.

Membership Category cont.

Technical Consultant

Consultant Membership is restricted to consultants to the gear industry. The individual must be engaged in full time consulting as a sole proprietor of his/her company. Individuals who are employed either full-time or part-time by a company or corporation are not eligible for Consultant Membership.

Dues: \$885

Academic

AGMA has a special Academic Membership for educational institutions. Teachers of Engineering or Department Heads may apply for membership. Applicants should submit a letter from the applicant's supervisor, on university letterhead, stating that the applicant is involved in mechanical power transmission education, and, in the supervisor's opinion, the applicant is eligible for membership in the American Gear Manufacturers Association.

Dues: \$72

Emeritus

The primary purpose of Emeritus Membership is to keep individuals involved in the association after they have retired from the industry. AGMA will also benefit from continued access to the industry knowledge these individuals bring to the association. (AGMA has to approve this membership category prior to payment)

Dues: \$72

Application for membership must be submitted with payment of one year's dues. AGMA membership is for a calendar year (January 1st – December 31st). If applicable, dues for the second year will be prorated. All dues, after the first year, are payable by January 31.

Payment Information

Please return this form and payment in U.S. funds to the following address:

American Gear Manufacturers Association
Attn: Membership
1001 N. Fairfax Street, Suite 500
Alexandria, VA 022314 USA

The proceeds from membership dues support critical educational, technical and government affairs activities that benefit all members. Dues payments may be deductible as a business expense.

Enclosed is my check, drawn on a U.S. bank made payable to American Gear Manufacturers Association.

Credit Card (VISA, MasterCard, or American Express)

Name on Credit Card (please print) _____

Credit Card Number _____ Expiration Date _____ CVV _____

Signature of Card Holder _____

Wire Transfer (\$50 fee)—e-mail membership@agma.org to receive instructions for submitting payment via wire transfer.

ACH—e-mail membership@agma.org to receive instructions for submitting payment via ACH.
